Gibus

The premium quality all weather flat retractable fabric roof pergola system from Gibus. Modular design allows integration of glass walls, drop down blinds, heaters and LED lighting for a truly bespoke outdoor living space or garden room

In Summary

A retractable block-out PVC fabric roof which is resistant to dirt, mould, 100% waterproof and has a UV rating of 90+. Due to the curved system in the fabric there is no slope required to allow for water drainage, furthermore the integrated gutters will take any rainwater to the ground through the posts.
