

SOONS

Scissor Awning

Steel Arm Fabric Awning .

Video link: <https://youtu.be/frVxOd2AKc4>

The Soons Scissor Steel Arm Awning is an incredibly strong and stable, wall mounted awning. With protection from sun, wind and rain the Soons awning is made to measure in Holland. It is designed for a maximum projection of up to 6.8 metres. Perfect for restaurant or cafe frontings - and its traditional styling is planning friendly in conservation areas. Highly customisable with steel arms and support bars able to support heaters, lighting and speakers.
